COCKPIT LAYOUT

CABIN LAYOUT

370 VENTURE™

From its sleek, contemporary lines to its expansive living spaces, the 370 Venture may be Sea Ray's most innovative and accommodating express cruiser since we redefined the class in 1974 with our first Sundancer® model. No other vessel this size and style can offer the cockpit and cabin space, or the unmatched performance benefits, of this all-new model. And no other brand can provide the superior quality and confidence of Sea Ray.

As a dinette, a large wraparound settee seats six adults comfortably. An elegant wood table converts the space into a massive berth for overnight guests.

A sprawling portside lounge along with u-shaped benches and spacious dual convertible sunpads create ample room to sit, entertain, or just relax and enjoy the outdoors

The Venture's primary galley is uniquely located in the cockpit and features a stainless-steel sink, induction stove, refrigerator and optional grill.

The broad dash places everything in easy sight and reach including standard SmartCraft diagnostics & DTS controls and plenty of room for optional electronics.

In the full-beam master stateroom, the queen island bed and starboard sofa lounge further distinguish the Venture from anything you've seen in the past.

Dual Mercury® FourStroke Verado® engines enclosed beneath sunpads mark a radical rethinking of power and layout for a 37-foot cruiser.
