# 450 SEDAN BRIDGE

Wide open spaces inside and out are the hallmarks of the 450 Sedan Bridge. Featuring a two-stateroom, two-head layout and an amazing array of onboard amenities, the 450 sets new standards of cruising comfort and convenience. This versatile sport yacht makes the most of its measurements by sleeping up to six passengers, including two on an optional convertible sofa in the salon, and offering a useful utility room below deck. Owners can choose to add a lower helm station to complement the upper helm on the flybridge (replaces dinette).

The flybridge features a U-shaped dinette served by a table and refrigerator. A standard hardtop is available with an optional electrically activated canvas sunroof. The companion helm seat swivels 180 degrees to join the conversation.

Natural light and earthy tones create a fashionable atmosphere in the salon and dinette. The supple Ultraleather sofa faces an entertainment center that boasts a 32" LCD HDTV along with a remote DVD player and Sony® sound system.

Just a few steps down from the dinette, the galley features an upright refrigerator/freezer, microwave/convection oven, recessed two-burner stove and abundant storage.

The 450's staterooms surround you in comfort. Appointments in the master include a queen berth with innerspring mattress, two cedar lined hanging lockers and an abundance of light from multiple portholes and skylight.

The spacious aft cockpit includes standard L-shaped bench seating and can be further outfitted with an optional table, wet bar, icemaker or refrigerator, and grill to become the ideal alfresco entertaining area.

Twin beds in the guest stateroom quickly convert to a king. The yacht's two head compartments come with VacuFlush systems and impressive fit and finish.
